To whom it may concern

Re: Thabang Bongani Baloyi

I lectured Thabang Baloyi in 2019 for the 2DE module of MAM2000W and have worked with him this year when he tutored on my MAM1004F and MAM1021S courses.

As a student, Thabang was hard-working and attentive. He was enthusiastic about his studies and it was a pleasure to have him in my class. As a tutor he has been reliable and equally enthusiastic about tutoring as we was studying. He has a good rapport with the students in his tutorial section and he's been a pleasure to work with this year.

I have no doubt that whether he continues studying or pursues employment he will make a success of his future endeavours.

Please do not hesitate to contact me if you need additional information. My work telephone number is 021-650-3200 and my email address is `thomas.vanheerden@uct.ac.za`.

Yours sincerely,

Thomas van Heerden
